Peptide Price List

Prices as of 20 November 2026

Shenzhen Peptide Biotechnology Co., Ltd.

Prices in US dollars (USD) per kit. Each kit contains 10 vials.

Volume prices apply to each individual SKU. Only kits of the same product and the same strength count toward a better price. Different products are not added together.

Volume tiers: 1–9 kits | 10–99 kits | 100–249 kits | 250–499 kits | 500–1,000 kits.

This list is generated from the live price list. For the newest prices visit https://pricelist.chinabiotechgroup.com.

For laboratory research use only. Not for human or veterinary use, not for diagnostic procedures, and not a drug, food, or cosmetic.
